

Viña Olabarri Reserva

With Viña Olabarri Reserva we want to show a wine highlighting black fruit primarily, with an easy drinking style. The sweet and spicy notes that the oak provides are perfectly integrated with the ripe black berry fruit that's at the forefront.

A great wine to share with family and friends on any occasion, be it with a meal, listening to music, reading a book, always with great pleasure.

Technical specifications

Varieties: 100 % Tempranillo.

Vineyards: grapes sourced from low yielding bush vines, between 20 and 50 years old.

Winemaking: fermentation in temperature controlled stainless steel tanks.

Ageing: aged for 24 months in French and American oak barrels. Cellaring in bottle for a further 12 months at least before release.

Tasting notes

Sight: bright, clear, dark cherry red colour.

Nose: fresh black and red berry fruit, with vanilla and toasted hints, perfectly integrated in the fruit.

Palate: medium bodied, showing sweet spices that complement the fruit, and with soft tannins that make up an easy drinking wine with good structure.

A wine with a long life ahead of it but also ready to be enjoyed right now.
